# Overview

The tour starts in early November from Tokyo and is created for those wish to enjoy the colors of autumn leaves along with popular highlights. Whilst in Tokyo, take a day tip to Nikko to see the lavishly decorated Toshogu Shrine. Travel to Hakone for the iconic view of Mt. Fuji. Visit Wakayama Castle and the ancient Kumano Kodo Path. Continue westward to reach the historically important city Hiroshima. In the neighboring Yamaguchi, cross the uniquely shaped bridge Kintaikyo. Finally reach Kyoto, an ancient capital, where you feel as though you have traveled back in time. In one night, visit a temple where holds a special light up to see a breathtaking collaboration of old wooden structures and autumn foliage.
